

ID	Task Name	Start	Finish	Duration	Nov 2016																Dec 2016																														
					15	16	17	18	19	20	21	22	23	24	25	26	27	28	29	30	1	2	3	4	5	6	7	8	9	10	11	12	13	14	15	16	17	18	19	20	21	22	23	24	25	26	27	28	29	30	31
1	Literature Review	15/11/2016	30/11/2016	12d																																															
2	Existing Literature on Optimization Methods	15/11/2016	30/11/2016	12d																																															
3	Novel Approaches with Reinforcement Learning	15/11/2016	30/11/2016	12d																																															
4	Implementation	01/12/2016	31/03/2017	87d																																															
5	Optimization	01/12/2016	01/02/2017	45d																																															
6	Reinforcement Learning	02/01/2017	31/03/2017	65d
